DOSTRIDE

ICAGILE AGILE TEAM FACILITATOR (ICP-ATF)

 **Duration:** 2 Days

 **Level:** Entry-Level

 **Time:** 9:00 - 17:00

 **Certification:** ICP-ATF

 **Type:** Remote; In -Person

 **Public:** Yes

 **Language:** German; English; Russian

 **In-House:** Yes

ABOUT THE COURSE

Effective facilitation of team, group and organization events is a powerful tool for any Coach and Scrum Master. Facilitation is a key skill required to foster collaboration and enable self-organizing teams. In this workshop, we will focus on the mindset and role of an agile team facilitator. We will learn effective facilitation techniques on how to get the most out of your events. Techniques that can be used for designing engaging meetings that drive towards outcomes. At the end of the course, you will have an updated toolkit and practical experience that you can use back in your workplace to facilitate agile practices.

Included in the course:

- 2 days of training
- 50+ Tools and Techniques! 25+ Different Case Studies! Tools and tips that will help you in the next meeting!
- Pictures of all flipcharts and materials created during the class.
- **ICAgile Professional - Agile Team Facilitation certificate**

WHAT WILL YOU LEARN

- **Practice:** 25+ Unterschiedliche Case Studies! 50+ Tools und Techniques! Resources and examples! Tools and tips that will help you already at your next Meeting.
- **Development in Agile Coaching:** From team member to facilitator and team coach. What is Agile Coaching and what level does facilitation take in Agile Coach development?
- **Agile Team Facilitator Mindset:** Purpose, mindset and functions of a facilitator. Principles of an effective facilitator. Self-awareness, self-management, neutrality, group awareness, group process, and conveying openness and enthusiasm. The dynamics of group decision making.
- **Effective Facilitation Framework:** Important guidelines to enable effective facilitation. We will learn frameworks and artefacts needed to bring meetings and retrospectives to a completely new level.
- **Difficult Dynamics:** Are there difficulties in the meeting? What to do when it gets difficult, with pressure and resistance? When the team is too young or too mature? How to deal with difficult dynamics.
- **Start as a Facilitator:** How to prepare, how to organize the room, in person or remotely. What tools and techniques are available.
- **Agile Meetings:** We will learning about Agile Events. What are the goals and principles of Agile Events. We will learn how to take Agile Events and Retrospectives to a new level.

ASSESSMENT AND CERTIFICATION

This course is accredited by the International Consortium for Agile (ICAgile) as fulfilling all Learning Objectives in the Agile Team Facilitation track. After successful completion of this course, you will receive the ICAgile Certified Professional-Agile Facilitation (ICP-ATF). This continuing education certification is a key step toward achieving the ICAgile Expert-Agile Coaching (ICE-AC), the competence-based certification.

There is an ongoing assessment throughout the class as well as a practical assessment at the end of the course that you will need to pass. As long as you have demonstrated competence, that you have understood the learning objectives and you do not miss more than one hour of the course - you will receive the certification.

IS THIS COURSE FOR ME?

The ICP-ATF course is designed for people who want to get the most out of their team. Scrum Masters, Agile Coaches, Product Owners, Team Members, Project Managers and anyone who wants to explore the possibilities of facilitation. For anyone interested in helping teams get the best possible results.

Our Facilitator Training is right for Scrum Masters, Managers, Project Managers, Team Leaders, IT/ Development Managers, Test Managers or Scrum Team Members. if you:

- want to step into the role of a Scrum Master.
- Participates in various events and finds them boring
- Engage as a facilitator
- Would like to work as an Agile Coach or Team Facilitator

Retrospectives, Sprint Plannings, Reviews, Daily Scrums, Team Kick Offs and Start-ups. Meetings and events can be better. Learn how!

MEET THE TRAINER

Yevhen Domchenko

Scrum.org Professional Scrum Trainer (PST) | International Consortium of Agile Authorised Instructor | Management 3.0 Licensed Facilitator | Scaled Agile Framework Program Consultant (SPC) and Trainer | Professional InPerson und Remote Facilitator | Organisation und Relationship System Coach (ORSC)

I have many years of coaching experience with strong trainer, coaching and facilitation skills. I am an Agile enthusiast, and enabler. I lead Agile training and coaching for teams and leadership in complex and scaled environments, helping people and teams build better products and results.

My experience can be expressed in a few numbers:

- Hands-on experience from over 200 public and in-house training.
- Practical experience from several agile customer projects, teams and company transformations as Scrum Master, Product Owner, Agile Coach, Consultant, Team Member, Transformation Leader, RTE, SPC, Team Leader, Leadership and Manager in Agile and Hybrid environment.
- Trainings in German, English, Russian for different countries and cultures.
- Over 1000 certified training participants to date.

WHAT DO MY PARTICIPANTS SAY:

Trust Pilot ★★★★★

Best teacher!

The class gave me everything I hoped for and more, it helped me gain a working understanding of SCRUM and the role of the Scrum Master and I hope to return to Yevhen to further my knowledge of the subject matter one day.

Max G.

Trust Pilot ★★★★★

Very interactive and good teaching style

Yevhen thought a lot during the two days of the course. I really appreciated his interactive lessons with many real world examples.

Elena B.
